Date of publication and production of master: 1976

Series: The purpose of this series is to make available those catalogues that have lasting interest through their text and illustrations. Catalogues and cumulations of titles in the series are available from the publishers.

Serial numbers: Each title is identified by a seven-figure serial number placed in the top right hand corner of the microfiche title strip. The first figure indicates the number of the list in which the title first appears. The first three-figure group signifies the gallery or museum; the second three-figure group the accession number for that title.
